RE: ~~Beer~~ v. Maloney et al
 Ca. No. 05-11045-GAO

Your Honor:

We Received a package from
 The DC's Lawyer for the Defendants which
 included Summary Judgment motion
 etc.

Upon reviewing their evidence we
 seen that their Lawyer have
 omitted documents pages in one
 instance swearing that documentation
 in my Disciplinary Hearing Record
 was a complete copy which is false.

If a search is done in my
 Docket filings my package of evidence
 had included my hearing record
 and it had all the pages. The
 packet from the Defendant in their
 motion for Summ. Judge ~~was~~ (Ex. E) By
 Maria Sazonick, Paralegal swears
 that it was a complete record when
 in fact the record should have

Included:

pg 1

pg 3

pg 4A

Defendants omitted these pgs. They also Blacked out a ~~section~~^{sentence} in the record where it states reason for sanction.

Furthermore the showed medical evidence that stated my injuries came from "Multiple Blows to the face". All this evidence has been submitted to the court by myself.

In March while I was in Bridgewater State Hospital lawyers sent my evidence back to me and I never got this evidence so I'm unable to submit anything because once again the mail room here has "misplaced" the legal mail.

I'm literate in the English language but am lost to the law in civil court therefore I'm unable to properly respond to anything from the Defendants.

How can I answer this motion if I don't know how I had

Someone who was helping me. He went home & is now back but he's on a different tier & we no longer speak.

I'm asking the court if I can again ask for legal representation. The video of this incident is my evidence that I did not hit my head on the cell floor.

② I am NOT double jointed. I ~~have~~ ^{been} able to remove handcuffs because the officers leave them loose on inmates. They don't do their jobs efficiently & leave them loose if need be. I will take X-Ray to prove I am NOT double jointed.

③ Medical Records prove how my injuries came about & if I can get photos from my grandmother which are in color you'll see I have a buttprint in the photos on my face and the medical documents from the hospital also prove. Butprints don't come from a bump on the floor.

As for Det. Fico the agent the order for them to make a forced move therefore he's automatically responsible.

The officers who made the move.

In the Segregation unit (K3) They're single cells & only one cell is opened (my own) for them to come in. I've been by myself so there was no plot in the unit.

Your Honor I ask that this case (plaintiff) have an attorney assigned.

My case has plenty of merit. I should not be punished for not knowing civil law. Nor should I be prejudiced against for being a prisoner.

If I am unable to get legal representation from this court, I ask that I be given a continuance / extension ~~until 2008~~ until 2008, until after I go home so that I may search for legal help myself on the street.

Please ~~attake~~ take this into consideration so that I can get a fair trial. Without an attorney I can't file motions I can't do anything. I gave the DA's an opportunity to settle for a reasonable amount and they never acknowledged my correspondence — NOT even to ~~D~~

Refuse.

So your Honor I hope this is taken into consideration and my case can be handled fairly by a professional atty who knows the law not by a prisoner who is ignorant to the law.

Thank you for your time.

Very Truly
Michael
